## Respect: Behavior Skill of the Month

### Theme

**INQUIRE** How would you describe the meaning of the theme?

Respect returns when given away.™

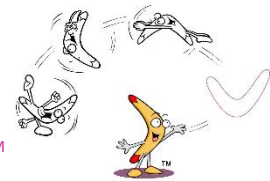

### Object Lesson

**INQUIRE** How would you describe the object lesson in your own words?

**RESPECT** is like a boomerang.™  
Just as a boomerang thrown properly usually returns to you, respect shown properly usually returns to you.™

Boo the boomerang™

### AIMM™ Goals

**INQUIRE** How is it going for you in trying to respect others?

**At school:** Greet others with eyes and smiles. In class raise hand before talking.

**At home:** Greet family members with eyes and smiles. Also, say “please” and “thank you.”

### Lifestory Summary

**INQUIRE** How would you summarize the TrueSuccess lifestory?

Melati and Isabel Wijzen grew up in Bali. As kids they developed a love and respect for the environment. They began to notice a lot of plastic trash on beaches and in forests. They learned that if something wasn't done about plastic waste, the environment would be impacted in terrible ways. They have helped grow a respect for our environment to make changes.
