Encouragement: Behavior Strength of the Month

Theme

INQUIRE How would you describe the meaning of the theme?

Encouragement strengthens hope.™

Object Lesson

INQUIRE How would you describe the object lesson in your own words?

Encouragement is like a rope with many strands.™

Just as many strands of a rope give strength and confidence, many encouraging words give hope and confidence.™

AIMM™ Goals

INQUIRE How is it going for you in trying to be encouraging?

At school: Tell a classmate “good job” when you see them giving good effort.

At home: Encourage a family member with positive words or actions.

Lifestory Summary

INQUIRE How would you summarize the TrueSuccess lifestory?

Getting seriously ill can be very scary. There can be things you don't know. It might seem like things could get really bad. When Mrs. Lopez, a 4th-grade teacher in New York City, found out she had cancer, the school choir wanted to encourage her. But what could a group of 5th-grade students do? Find out in the PS22 Chorus' lifestory.
